

2019

4th BALTIC PAEDIATRIC CONGRESS

Under the Auspices of
European Academy of
Paediatrics
(EAP/UEMS-SP)

MAY 16-18, 2019
VILNIUS UNIVERSITY,
UNIVERSITETO STR. 3, VILNIUS,
LITHUANIA

TEMPLATE OF PROGRAMME OF 4th BALTIC PAEDIATRIC CONGRESS

Vilnius University, Universiteto Str. 3, Vilnius, Lithuania

May 16-18, 2019

Time	May 16, Thursday	May 17, Friday	May 18, Saturday	
9.00	Registration		Registration	
10.00	Registration	Plenary Session II	Plenary Session IV	
11.10	Precongress Solidarity Symposium of Ukrainian Academy of Paediatrics and Lithuanian Paediatric Society	Vaccination I		Neonatology I
11.30		Coffee Break		
12.00		Vaccination II	Neonatology II	Paediatrics II
12.40				Paediatrics III
13.00		Satellite Symposium I		Satellite Symposium IV
14.00		Lunch		Lunch
14.30	Training Course of Young EAP	Plenary Session III	Paediatrics IV	
15.00		Gynecology of children and adolescents	Paediatrics I	
15.40			Neonatology III	
16.00		Satellite Symposium II	Satellite Symposium III	Plenary Session V
16.30	Plenary Session I	Coffee Break		
17.00	Opening lectures	European Academy of Paediatrics (EAP/UEMS-SP) Educational Symposium		Farewell Tea
18.00				
18.45	Concert in Vilnius University			
19.00	St.Joan's Church			
20.00	Welcome reception			
21.00		Gala Dinner in Verkiiai Palace <i>find Social Program in website</i>		
23.00				

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

UKRAINIAN – LITHUANIAN SOLIDARITY SYMPOSIUM

„EDUCATIONAL BRIDGEBUILDING IN EUROPE:

MODERN UKRAINIAN PAEDIATRICS IN VILNIUS UNIVERSITY“

P R O G R A M M E

May 16, 2019

Co-Chairs: **Dr. Yarema Voznytsya**, West Ukrainian Children's Medical Center, Department of Paediatrics (Head), Vicepresident of Ukrainian Academy of Paediatrics (UAP-UMS), Lviv, Ukraine, **Prof. Leonid Dubey**, Lviv National Medical University of Danylo Galytsky, President of Ukrainian Academy of Paediatrics (UAP-UMS), Lviv, Ukraine, **Prof. Arūnas Valiulis**, Vilnius University Medical Faculty, Institute of Clinical Medicine and Institute of Health Sciences, Clinic of Children's Diseases of Vilnius City Clinical Hospital, Vilnius, Lithuania

10 – 10.10 Opening

10.10 – 10.35 **Prof. Robert Ross Russell**

Addenbrookes Hospital, Department of Paediatric Respiratory Medicine, Cambridge, UK
Chair of European Board of Paediatrics of European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium

Paediatric training – the European model

10.35 – 11 **Prof. Berthold Koletzko**

Ludwig Maximilians University, Dr von Hauner Children's Hospital, Munich, Germany
Chair of Tertiary Care Council of European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium

Approach to cow's milk allergy

11 – 11.15 **Prof. Arūnas Valiulis**

Vilnius University Medical Faculty, Institute of Clinical Medicine and Institute of Health Sciences, Clinic of Children's Diseases of Vilnius City Clinical Hospital, Vilnius, Lithuania

Vilnius declaration on chronic respiratory diseases control: From mHealth to guided self management

11.15 – 11.30 **Assoc. Prof. Arūnas Liubšys**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Center of Neonatology, Children's Hospital Affiliated to Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Lithuanian State Perinatology Programme: Story of success

11.30 – 11.50 **Prof. Leonid Dubey**

Lviv National Medical University of Danylo Galytsky, President of Ukrainian Academy of Paediatrics (UAP-UMS), Lviv, Ukraine

Modern aspects of diagnosis and management of bleeding disorders

11.50 – 12.05 **Prof. Valeriy Pohylko**

Ukrainian Stomatological Academy, Department of Paediatrics, Poltava, Ukraine

Obesity and diabetes in children

12.05 – 12.20 **Assoc. Prof. Fedir Lapii**

National Medical Academy of Postgraduate Education of P.L.Shupyk, Department of Children's Infectious Diseases and Pediatric Immunology, Kyiv, Ukraine

Vaccination in Ukraine: Lessons learned from failure

12.20 – 12.35 **Assoc. Prof. Olena Kostiuk**

National Medical Academy of Postgraduate Education of P.L.Shupyk, Department of Neonatology, Kyiv, Ukraine

Enteral feeding of premature babies: Evidence based data

12.35 – 12.50 **Prof. Olga Bielousova**

Kharkiv Academy of Postgraduate Education, Department of Paediatric Gastroenterology and Nutrition (Head), Kharkiv, Ukraine

Hot topics in paediatric gastroenterology: Chronic abdominal pain

12.50 – 13.10 **Assoc. Prof. Oleksandr Katilov**

Vinnytsia National Medical University, Department of Paediatric Propaedeutics, Vinnytsia, Ukraine

Psychogenic cough: Differential diagnosis and management

13.10 – 13.30 **Prof. Tetiana Umanets, Prof. Yurii Antypkin**

National Academy of Medical Sciences, Institute of Paediatrics, Obstetrics and Gynaecology, Department of Allergy and Immunorehabilitation, Kyiv, Ukraine

Hot topics in paediatric allergology: atopic dermatitis

13.30 Closing & Final remarks

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

TRAINING COURSE OF YOUNG EUROPEAN ACADEMY OF PAEDIATRICS (YEAP)

P R O G R A M M E

May 16, 2019

Co-Chairs: **Lenneke Schrier**, President of YEAP, Brussels, Belgium, Princess Maxima Centre, Utrecht, the Netherlands, **Ivan Bambir**, University Hospital Centre Zagreb, Zagreb, Croatia

14 – 14.10 Opening

14.10 – 14.40 **Lenneke Schrier, Sian Copley**

President of YEAP, Brussels, Belgium, Princess Maxima Centre, Utrecht, the Netherlands, Health Education North East, Newcastle upon Tyne, UK

Historical sketch of Young EAP: Mission and vision

14.40 – 15 **Larisa Kragelj**

Community Health Centre Ljubljana, Ljubljana, Slovenia

Benefits of YEAP from an aspect of a newly joined country: Why and how to form a national Young Paediatricians Society

15 – 16 **Sian Copley, Larisa Kragelj, Lenneke Schrier**

Health Education North East, Newcastle upon Tyne, UK, Community Health Centre Ljubljana, Ljubljana, Slovenia, Princess Maxima Centre, Utrecht, the Netherlands

Workshop: Designing your change strategy

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

PROGRAMME

May 16, 2019

1st PLENARY SESSION

Co-Chairs: **Prof. Ilze Grope**, President of Latvian Paediatric Association, Riga Stradiņš University, Children's Clinical University Hospital, Riga, Latvia, **Dr Ülle Einberg**, President of Estonian Paediatric Association, Tartu University, Tallinn Children's Hospital, Tallinn, Estonia, **Assoc. Prof. Vaidotas Urbonas**, President of Lithuanian Paediatric Society, Vilnius University Medical Faculty, Institute of Clinical Medicine, Vilnius, Lithuania

16 – 16.10 WELCOME ADDRESS

16.10 – 16.35 **Prof. Dainius Puras**

UN Special Rapporteur on the Rights to Physical and Mental Health, Vilnius University Medical Faculty, Institute of Clinical Medicine, Vilnius, Lithuania

Human rights and child health: Where we are now?

16.35 – 17 **Prof. Boris Kramer**

Maastricht University Medical Center, Department of Experimental Perinatology, Maastricht, the Netherlands

Neonatal respiratory disorders projection on later life

17 – 17.25 **Prof. Nikhil Thapar**

Great Ormond Street Hospital, London, UK

Gut brain axis: Functional disorders of gastrointestinal tract in children

17.25 – 17.50 **Prof. Stephen Pelton**

Boston University School of Medicine and Public Health, Boston Medical Center, Department of Paediatric Infectious Diseases, Boston, USA

Vaccine preventable diseases in children: What about future?

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

PROGRAMME

May 17, 2019

2nd PLENARY SESSION 9.00 – 10.00

Co-Chairs: **Assoc. Prof. Kaja Julge**, Tartu University Children's Hospital, Tartu, Estonia,
Prof. Arūnas Valiulis, Vilnius University Medical Faculty, Institute of Clinical Medicine and
 Institute of Health Sciences, Clinic of Children's Diseases of Vilnius City Clinical Hospital,
 Vilnius, Lithuania

9 – 9.25 **Prof. Jonathan Grigg**

Queen Mary University of London, School of Medicine and Dentistry, London, UK

Effects of air pollution on children's respiratory health

9.25 – 9.50 **Prof. Tomasz Szczepański**

Medical University of Silesia, Department of Pediatric Hematology and Oncology, Zabrze-
 Katowice, Poland

Early signs of childhood cancers, don't overlook them

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

VACCINATION SYMPOSIUM

PROGRAMME

May 17, 2019

Co-Chairs: **Prof. Andrew Riordan**, Alder Hey Children's Hospital, Liverpool, UK, **Dr. Inga Iaškevičienė**, Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Vilnius, Lithuania

10 – 10.25 **Dr. Hans Jurgen Dornbusch**

Chair of Vaccination Working Group of European Academy of Paediatrics, Brussels, Belgium;
Medical University of Graz, Department of Pediatrics and Adolescent Medicine, Graz, Austria

Influenza update in Europe: Real life lessons

10.25 – 10.50 **Prof. Andrew Riordan**

Alder Hey Children's Hospital, Liverpool, UK

Meningococcal B vaccination in Europe

10.50 – 11.10 **Dr. Inga Iaškevičienė**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases; Children's Hospital Affiliated to Vilnius University Hospital *Santaros klinikos*, Vilnius, Lithuania

First year experience of 4cMenB vaccination in Lithuania

11.10 – 11.30 Coffee Break

11.30 – 11.50 **Dr. Hanna Rinta-Kokko**

Public Health Evaluation & Projection Unit, Department of Public Health Solutions, National Institute for Health and Welfare, Helsinki, Finland

Finnish experience: Impact of pneumococcal conjugate vaccine on pneumococcal disease

11.50 – 12.05 **Assoc. Prof. Fedir Lapii**

National Medical Academy of Postgraduate Education of P.L.Shupyk, Department of Children's Infectious Diseases and Pediatric Immunology, Kyiv, Ukraine

Measles in Europe: Back to the future?

12.05 – 12.25 **Dr. Tuija Leino**

National Institute for Health and Welfare, Infectious Disease Control and Vaccines Unit,
Department of Health Security, Helsinki, Finland

Nearly a decade of rotavirus vaccination in Finland

12.25 – 12.40 **Dr. August Wrotek**

Centre of Postgraduate Medical Education, Department of Pediatrics, Warsaw, Poland

Socioeconomic impact of influenza in children: Polish model

SATELLITE LECTURE (*sponsored by Pfizer*)

12.40 – 13 **Prof. Stephen Pelton**

Boston University School of Medicine and Public Health, Boston Medical Center, Department of
Paediatric Infectious Diseases, Boston, USA

Lessons learned after nearly two decades of pneumococcal conjugate vaccine

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Aula Parva, Universiteto Str. 3, Vilnius, Lithuania

1st NEONATOLOGIC SYMPOSIUM “TRANSLATION OF NEONATAL HEALTH TO OLDER CHILD AND ADULTHOOD”

May 17, 2019

Co-Chairs: **Prof. Nijolė Drazdienė**, Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children’s Disease, Center of Neonatology, Vilnius, Lithuania, **Prof. Boris Kramer**, Maastricht University Medical Center, Department of Experimental Perinatology, Maastricht, the Netherlands

10 - 10.20 **Prof. Tom Stiris**

Oslo University Hospital, Department of Neonatology, Oslo, Norway

ROP pathophysiology and treatment: Do we have all the proves?

10.20 – 10.45 **Dr. David Sweet**

Regional Neonatal Unit, Belfast, Northern Ireland, UK

The future of neonatal respiratory care

10.45 – 11.10 **Prof. Boris Kramer**, Maastricht University Medical Center, Department of Experimental Perinatology, Maastricht, the Netherlands

Antenatal inflammation and infection: A double-edged sword of the fetus?

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Aula Parva, Universiteto Str. 3, Vilnius, Lithuania

2nd NEONATOLOGIC SYMPOSIUM “TRANSLATION OF NEONATAL HEALTH TO OLDER CHILD AND ADULTHOOD” PROGRAMME

May 17, 2019

Co-Chairs: **Prof. Rasa Tamelienė**, Lithuanian University of Health Sciences, Clinic of Neonatology, Kaunas, Lithuania, **Dr. David Sweet**, Regional Neonatal Unit, Belfast, Northern Ireland, UK

11.30 – 11.50 **Prof. Catherine R. Smith**

University of Tennessee at Chattanooga, Tennessee, USA

Creating an integrated developmental care culture for medically fragile children

11.50 – 12.05 **Dr. Liis Toome**

Tallinn Children’s Hospital, Department of Neonatology, Tallinn, Estonia

Family integrated neonatal care: Why and how?

12.05 – 12.20 **Ieva Sidaravičiūtė**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Center of Child Development, Vilnius, Lithuania

Vulnerable child syndrome: Pediatrician's role in helping the family

12.20 – 12.40 **Assoc. Prof. Arūnas Liubšys**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children’s Disease, Center of Neonatology, Vilnius, Lithuania

Neonatal gut microbiota development and its impact on later child health

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

3rd PLENARY SESSION 14.00 – 14.30

Co-Chairs: Assoc. **Prof. Jolanta Kudzytė**, Lithuanian University of Health Sciences, Medical Academy, Clinic of Children's Diseases, Kaunas, Lithuania, **Assoc. Prof. Sigitas Dumčius**, Vilnius University Medical Faculty, Institute of clinical Medicine, Clinic of Children's Diseases, Vilnius, Lithuania

14 – 14.25 **Prof. Jonathan Grigg**

Queen Mary University of London, School of Medicine and Dentistry, London, UK

Prevention of asthma in children - is it possible?

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

SYMPOSIUM OF CHILD AND ADOLESCENT GYNAECOLOGY PROGRAMME

May 17, 2019

Co-Chairs: Prof. Žana Bumbulienė, Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Obstetrics and Gynaecology, Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania, and *Assoc. Prof. Kristina Jarienė*, Lithuanian University of Health Sciences Medical Academy, Clinic of Obstetrics and Gynaecology, Kaunas, Lithuania

14.30 – 14.45 **Prof. Žana Bumbulienė**

President Elect of European Association of Paediatric and Adolescent Gynaecology (EURAPAG), Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Obstetrics and Gynaecology, Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Pubertal development of girls: Key points for paediatricians

14.45 – 15.05 **Assoc. Prof. Kristina Jarienė**

Lithuanian University of Health Sciences Medical Academy, Clinic of Obstetrics and Gynaecology, Hospital of Lithuanian University of Health Sciences, Kaunas, Lithuania

Vulvovaginitis: How to diagnose and to treat?

15.05 – 15.25 **Dr. Robertas Adomaitis**

President of Lithuanian Society of Sexual Medicine, Vilnius University Medical Faculty, Vilnius University Hospital *Santaros Clinics*, Vilnius Lithuania

Sexual activities in adolescence

15.25 – 15.40 **Dr. Lasma Lidaka**

Children's Clinical University Hospital, Riga, Latvia

Menstrual disorders in adolescents

SATELLITE LECTURE (*spn. MSD*)

15.40 – 16 **Prof. Žana Bumbulienė**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Obstetrics and Gynaecology, Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

HPV vaccination in girls and boys: Real world data

16 – 16.10 Discussions

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Aula Parva, Universiteto Str. 3, Vilnius, Lithuania

1st PAEDIATRIC SYMPOSIUM „PAEDIATRIC GASTROENTEROLOGY AND NUTRITION“

PROGRAMME

May 17, 2019

Co-Chairs: Assoc. Prof. Rūta Kučinskienė, Lithuanian University of Health Sciences Medical Academy, Clinic of Children's Diseases, Kaunas, Lithuania, and **Prof. Vytautas Usonis**, Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Vilnius, Lithuania

14.30 – 14.55 **Prof. Nikhil Thapar**
Great Ormond Street Hospital, London, UK

Gut motility disorders in children

14.55 – 15.15 **Dr. Ieva Pukite**
Riga Stradiņš University, Children's Clinical University Hospital, Riga, Latvia

Inflammatory bowel diseases

15.15 – 15.30 **Assoc. Prof. Rūta Kučinskienė**, Lithuanian University of Health Sciences Medical Academy, Clinic of Children's Diseases, Kaunas, Lithuania

Cholestatic liver disease

15.30 – 15.40 **Dominykas Varnas, Assoc. Prof. Vaidotas Urbonas**
Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Vilnius, Lithuania

Fecal microbiota transplantation (FMT) in children

SATELLITE LECTURE (*spn. Sanofi*)

15.40 – 16 **Assoc. Prof. Vaidotas Urbonas**
Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Children's Hospital Affiliated to Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Constipation in children: What's new in the diagnosis and treatment

16 – 16.10 Discussions

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

SYMPOSIUM OF EUROPEAN ACADEMY OF PAEDIATRICS (EAP/UEMS-SP)

PROGRAMME

May 17, 2019

Co-Chairs: **Prof. Ana Margarita Neves**, Vicepresident of European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium, Santa Maria Hospital, Department of Paediatrics, Lisbon, Portugal, **Prof. Arūnas Valiulis**, Treasurer of European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium, Institute of Clinical Medicine and Institute of Health Sciences, Clinic of Children's Diseases of Vilnius City Clinical Hospital, Vilnius, Lithuania

16.30 – 16.35 Introduction

16.35 – 16.55 **Prof. Adamos Hadjipanayis**

President of European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium, European University Cyprus, Medical School, Larnaca General Hospital, Larnaca, Cyprus

Children's health in Europe: How can we make the difference

16.55 – 17.15 **Prof. Berthold Koletzko**

Chair of Tertiary Care Council of European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium, Ludwig Maximilians University, Dr von Hauner Children's Hospital, Munich, Germany

Poor eaters and failure to thrive in children

17.15 – 17.35 **Prof. Robert Ross Russell**

Chair of European Board of Paediatrics of European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium, Addenbrookes Hospital, Department of Paediatric Respiratory Medicine, Cambridge, UK

Managing bronchiolitis: Do we really need the hospital?

17.35 – 17.55 **Dr. Zachi Grossman**

EAPRASnet Stearing Committee, Maccabi Healthcare Services, Tel Aviv, Israel

Vaccine confidence survey in 18 European countries: Lessons for primary paediatric care

17.55 – 18.15 **Dr. Karoly Illy**

Chair of Secondary Care Council of European Academy of Paediatrics (EAP/UEMS-SP),
Brussels, Belgium, President of Dutch Pediatric Society, Ziekenhui Rivierenland Tiel,
Department of Paediatrics, The Netherlands

Giving feedback to your colleague: Sure you can!

18.15 – 18.35 **Prof. Adamos Hadjipanayis**

President of European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium, European
University Cyprus, Medical School, Larnaca General Hospital, Department of Paediatrics,
Larnaca, Cyprus

Challenges in paediatrics: Fever phobia

18.35 – 18.45 Closing & Final remarks

4th BALTIC PAEDIATRIC CONGRESS
under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)
Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

PROGRAMME

May 18, 2019

4th PLENARY SESSION 9.00 – 11.00

Co-Chairs: **Prof. Laimutė Vaidelienė**, Lithuanian University of Health Sciences, Medical Academy, Clinic of Children's Diseases, Kaunas, Lithuania, **Assoc. Prof. Vaidotas Urbonas**, Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Vilnius, Lithuania

9 – 9.25 Dr. Ketil Stordal

President of Norwegian Paediatric Society, Norwegian Institute of Public Health, Department of Chronic Diseases and Ageing, Ostfold Hospital Trust, Oslo, Norway

Choosing wisely: Modern strategy to keep child safe from overdiagnostics and overtreatment

9.25 – 9.50 Prof. Artur Mazur

Chair of Working Group of Adolescents' Health, European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium, University of Rzeszow Faculty of Medicine, Rzeszow, Poland

Childhood obesity epidemic from the European perspective

9.50 – 10.10 Antonia Hadjieftychiou

Special School Apostolos Varnavas, Ministry of Education and Culture, Cyprus

E-mail: antonia.hadjieftychiou@gmail.com

Music therapy and autism spectrum disorders

10.10 – 10.30 Dr. Marje Oona

Tartu University Institute of Public Health and Family Medicine, Tartu, Estonia

Baltic view: Challenges in maintaining immunisation coverage

10.30 – 10.55 Dr. Peter Altorjai

Toth Ilona Primary Paediatrics Center, Budapest, Hungary, Chair of Primary Care Council of European Academy of Paediatrics (EAP/UEMS-SP), Brussels, Belgium

Screening and preventive paediatrics: What is work?

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

2nd PAEDIATRIC SYMPOSIUM “HOT TOPICS IN PAEDIATRICS”

PROGRAMME

May 18, 2019

Co-Chairs: **Prof. Odilija Rudzevičienė**, Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children’s Diseases, Children’s Hospital Affiliate of Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania, **Assoc. Prof. Jernej Završnik**, Primary Care Council of European Academy of Paediatrics, Brussels, Belgium, Maribor University Medical Faculty, Community Health Center “Dr. Adolf Drole” Maribor, Slovenia

11.30 - 11.50 **Prof. Augustina Jankauskienė**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children’s Diseases, Center of Paediatrics, Children’s Hospital Affiliated to Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Urinary tract infection prophylaxis in high grade vesicourethral reflux: Benefits and risks

11.50 – 12.10 **Prof. Arūnas Valiulis**

Vilnius University Medical Faculty, Institute of Clinical Medicine and Institute of Health Sciences, Clinic of Children’s Diseases of Vilnius City Clinical Hospital, Vilnius, Lithuania

Rational antibioticotherapy in paediatrics: Model of community acquired pneumonia

12.10 – 12.30 **Assoc. Prof. Kaja Julge**

Tartu University Children’s Hospital, Tartu, Estonia

Respiratory health of the children living in the region of oil shale industry in Estonia

12.30 – 12.40 **Izabelė Juškienė, Nina Prokopčiuk, Vidmantas Ulevičius, Arūnas Valiulis**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children’s Diseases, Vilnius Antakalnis Polyclinic, Center for Physical Sciences and Technology, Department of Environment Research, Environmental Physics and Chemistry Laboratory, Vilnius, Lithuania

Impact of particulate air pollution in school environment on health of children in Vilnius

SATELLITE LECTURE (*spn. Mylan*)

12.40 – 13 **Prof. Odilija Rudzevičienė**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children’s Diseases, Children’s Hospital Affiliated to Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Acute allergic reactions in pediatric practice and specific treatment

BPC2019 PROGRAMME, MAY 12, 2019

www.bpc2019.eu

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Theatre, Universiteto Str. 3, Vilnius, Lithuania

4th PAEDIATRIC SYMPOSIUM “CLINICAL PAEDIATRICS: EASY CASE – DIFFICULT CASE”

PROGRAMME

May 18, 2019

Co-Chairs: Prof. Ilze Grope, Riga Stradinš University, Children’s Clinical University Hospital, Riga, Latvia, *Ass. Prof. Sigita Burokienė*, Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children’s Diseases, Children’s Hospital Affiliate of Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

14 – 14.15 **Urzula Urbane, Madara Katvare, Mareks Marcuks, Dita Gaidule-Logina, Prof. Ilze Grope, Assoc. Prof. Dace Zavadska, Prof. Dace Gardovska, Assoc. Prof. Jana Pavare**
Riga Stradinš University, Children’s Clinical University Hospital, Riga, Latvia

Role of clinical signs, gut feeling and parental concern in recognizing serious bacterial infections

14.15 – 14.30 **Šutova Viktorija, Julija Rutenberge-Galumbauskienė, Sigita Burokienė**
Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children’s Diseases, Children’s Hospital Affiliate of Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Parents’ attitude to child health and evaluation of necessity of emergency visite

14.30 – 14.40 **Krista Skrējāne, Laine Bekere, Dr. Ieva Puķīte, Dr. Liene Nikitina-Zake**
Riga Stradinš University, Children’s Clinical University Hospital, Riga, Latvia

Clinical and laboratory profiles of celiac disease in children with HLA-DQ2/DQ8 genotypes in Latvia

14.40 – 14.50 **Dr. Jovita Petrulytė, Laima Mikulėnaitė, Rita Perminaitė**
Vilnius Medical Faculty, Institute of Clinical Medicine, Clinic of Children’s Diseases, Child Development Center of Children’s Hospital Affiliate of Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Developmental screening for language and communication disorders in children: What should be improved?

14.50 – 15 **Agnija Vaščiuonaitė, Vilma Rutkauskaitė, Assoc. Prof. Jelena Rascon**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Center for Paediatric Onkology and Hematology, Children's Hospital Affiliate of Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Anaemia with trombocytopenia: Long way to correct diagnosis

15 – 15.10 **Ginreta Valinčiūtė, Dr. Edita Davidavičienė, Dr. Elena Sučilienė, Prof. Arūnas Valiulis**

Vilnius University Medical Faculty, Institute of Clinical Medicine and Institute of Health Sciences, Clinic of Children's Diseases of Vilnius City Clinical Hospital, National Public Health Center Under the Lithuanian Ministry of Health, Vilnius, Lithuania

Paediatric TB in Lithuania 1998-2018: Critical evaluation of prevention and control

15.10 – 15.20 **Ignė Kairienė, Ramunė Pasaulienė, Dr. Audronė Mulevičienė, Sigita Stankevičienė, Assoc. Prof. Jelena Rascon**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Center for Paediatric Onkology and Hematology, Children's Hospital Affiliated to Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Congenital leukemia: Two scenarios for “chameleonic” disease

15.20 – 15.30 **Justė Parnarauskienė, Assoc. Prof. Vaidotas Urbonas, Prof. Odilija Rudzevičienė**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Center of Paediatrics, Children's Hospital Affiliate of Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Dermatitis and coagulopathy as a presentation of cystic fibrosis

15.20 – 15.30 **Agnė Marija Giedraitytė, Laima Naskauskienė, Inga Ivaškevičienė, Elena Sučilienė**

Vilnius University Medical Faculty, Institute of Clinical Medicine, Clinic of Children's Diseases, Center of Paediatrics, Children's Hospital Affiliate of Vilnius University Hospital *Santaros Clinics*, Vilnius, Lithuania

Tuberculosis relapse in a 11-year-old girl: A case report

4th BALTIC PAEDIATRIC CONGRESS

under the auspices of European Academy of Paediatrics (EAP/UEMS-SP)

Vilnius University Aula Parva, Universiteto Str. 3, Vilnius, Lithuania

3rd PAEDIATRIC SYMPOSIUM “CHALLENGES IN PAEDIATRICS: FROM RARE TO CARE”

PROGRAMME

May 18, 2019

Co-Chairs: **Liesbeth Siderius** Chair of EAP Working Group of Rare Diseases, Shwachman Diamond Syndrome Support Group, Zwolle / Ijsselmuiden, the Netherlands, **Assoc. Prof. Valdonė Misevičienė**, Lithuanian University of Health Sciences, Medical Academy, Clinic of Children’s Diseases, Kaunas, Lithuania

11.30 - 11.50 **Liesbeth Siderius**

Chair of EAP Working Group of Rare Diseases, Shwachman Diamond Syndrome Support Group, Zwolle / Ijsselmuiden, the Netherlands

The child with rare disease in primary care

11.50 – 12.05 **Assoc. Prof. Jolanta Wierzba**

Medical University of Gdansk, Department of Paediatrics, Haematology and Oncology, Poland

Duchenne’s disease: Model of interdisciplinary approach and networking
